

WEEK #8 10/19/2020-10/23/2020

Dedication and Perseverance

KTUP families!

We are eight weeks into our virtual learning semester. We hope your scholar had a chance to recharge and relax during fall break. We look forward to continuing this semester and finishing strong!

Back to School Night is Tonight!! 6pm-7:30pm

We will virtually host our scholars and their families for back to school night where parents have the opportunity to meet their scholars, teachers and administration. We are having an **attendance challenge** for the advisory class that has the most parents coming back to school night. Bragging rights, free KIPP T-Shirt and the "Top Dawg Chain" is up for grabs. We can't wait to see you all!

Making education the priority

We want to continue to stress how important it is that your scholar is online for classes from 8am-3:15 pm. Monday, Tuesday, Wednesday (8am-noon), Thursday and Friday. If there is a reason why your student is needing to work during scheduled class time, please contact our Dean of Students @ mdavis@kipptulsa.org.

Attendance MATTERS!

KIPPsters should login to their classes before the class starts to avoid **zoom issues** and **class absences**. Click [HERE](#) to access **One-STOP-Shop class Zoom links**. Students must check their schedules on PowerSchool to ensure that they are attending the correct class at the allotted time.

Motivation fades..Create habits

Tardies = Absences = No learning taking place = possible failure to pass courses

Please be sure to call/email cmarzett@kipptulsa.org if your KIPPster is going to be out. It is extremely important that your KIPPster is online everyday on time.. **(Office) (918)746-9641** Tardies/unexcused absences all add up! We are reaching out via text, call, or email when your scholar has excessive absences that threaten their passing of their classes.
