Parent/Teacher Organization meeting tomorrow 6pm

A parent teacher organization (PTO) gives parents and teachers the opportunity to work together to supplement and enrich the educational experience. And with today's tight budgets, a strong, well-functioning PTO can be a teacher's most important ally when it comes to achieving curricular and fundraising goals.

New Block Schedule

We have made changes to our daily class schedule and moved to a block schedule model to allow students more time with teachers. This new schedule has students attending periods 1,2,3,4 on Monday and Thursday for 80 minutes each and periods 5,6,and 7 on Tuesday and Friday. Wednesdays are still reserved for tutoring sessions, and enrichment clubs.

In Person Expectations

If your scholar has returned to in person learning ,we want to stamp an understanding of expectations.

- **Face masks must be worn at all times while in the building.** Refusal to correctly wear a mask is a direct violation of our policy and safety for others and will not be tolerated.
- **Respect** is also a non negotiable. Being disrespectful to students or staff will not be tolerated.
- If your scholar rides the bus,they must also wear their mask correctly while on the bus. Failure to do so will result in loss of ridership privileges.

Wednesday Tutoring

We have dedicated each Wednesday to tutoring , enrichment ,and time to complete make up work. Unfortunately, the majority of our scholars are not taking advantage of this time. Teachers send out tutoring invitations each week before that Wednesday to let students know they are invited to a tutoring session with that teacher to receive extra help. Teachers also have office hours wednesday mornings where students can just drop in the teachers zoom link and ask any questions they have or get extra help. Please check with your scholars and see which tutoring sessions they will be attending each Wednesday.

Updated Contact information!

If your phone or email changes please be sure to contact our office at (918) 746-9641 or email cmarzett@kipptulsa.org to get your information updated so you can continue to receive the communications being sent out to you and your scholar.

Attendance MATTERS!

KIPPsters should login to their classes before the class starts to avoid **zoom issues** and **class absences**. Click [HERE](#) to access **One-STOP-Shop class Zoom links**. Students must check their schedules on PowerSchool to ensure that they are attending the correct class at the allotted time.

Motivation fades..Create habits

Tardies = Absences = No learning taking place = possible failure to pass courses

Please be sure to call/email cmarzett@kipptulsa.org if your KIPPster is going to be out. It is extremely important that your KIPPster is online everyday on time.. **(Office) (918)746-9641** Tardies/unexcused absences all add up! We are reaching out via text,call,or email when your scholar has excessive absences that threaten their passing of their classes.
