REP YOUR ALMA MATER—
WEAR YOUR SCHOOL GEAR!

ABOUT

The evening begins with a casual reception of heavy hors d'oeuvres, a cash bar and a LIVE student performance, followed by our ever popular game show! The game show is modeled after the TV show, Are You Smarter Than a 5th Grader? With elements of other TV game shows such as Who Wants to be a Millionaire? But in our game, community leaders face off against a group of KIPP Tulsa students in the ultimate challenge. Designed as a quiz bowl-style game, questions are taken directly from 6-8th grade lessons and textbooks, and the competition is certainly fierce! Contestants can answer the questions on their own, use lifelines or poll members of our LIVE studio audience! Everyone joins in on the fun, but only one team can WIN!
